Dear Sir / Madam,

Subject: Training Programmes by Dr. Fixit Institute of "Structural Protection and Rehabilitation".

Enclosed please find a Calendar of training Programmes being undertaken at Dr. Fixit Institute of **Structural Protection and Rehabilitation**.

We have scheduled five training Programmes till March 2008 on following Topics :

- 1) Health check of Buildings and Diagnosis of Damaged Structures.**
- 2) Advanced Technology for Concrete Repairs.**
- 3) Usage of Polymeric Materials in Construction.**
- 4) Cracking in Concrete and Repair Technology.**
- 5) Advances in Concrete Mix Design and usage of Admixtures**

The details of programmes are mentioned in the enclosed Training Calendar. We are sure that the proposed programmes will be useful to create an awareness and upgradation of necessary skills among your engineers.

We would appreciate if you can depute a few Engineers from your organizations for the above programmes.

Looking forward to a long-term relationship between DFI-SPR and your organization,

Yours Sincerely,
